What are "Hot Jobs" and "Hot Industries"?

Hot jobs/industries are those that on average rank high in three major criteria – abundance of jobs in the economy, jobs which are growing the fastest and jobs with the highest pay.

Explore hot jobs, careers, schools and tools to get there with the **Idaho Career Information System (CIS)**. Visit labor.idaho.gov and look under "Education and Training" for "Career Information System"

Occupation Definition Source: Bureau of Labor Statistics 2000 Standard Occupational Classification. Industry Definition Source: 2007 North American Industry Classification System. *Pay shown is annual wages. **Department assigned code and title. Not a valid NAICS code or title.

February 2011 | The Idaho Department of Labor is an equal opportunity employer. Auxiliary aids and services are available upon request to individuals with disabilities. Dial 711 for TTY Idaho Relay Service.
