

GET NOTICED!

Create or update your online searchable profile today so employers can find you!

YOU create your profile with the career information you choose — work history, skills, job preferences, salary expectations, education level — and decide if your profile remains private or if you wish to share it with employers in a **SECURE** environment. Update it any time.

THE EMPLOYER searches our database of job seekers for possible matches based on what they need — work history, skills, job preferences, salary expectations, education levels.

THE MATCH — If a match is made to your job seeker profile, the employer can contact you, and YOU decide if you want to pursue the opportunity.

THIS FREE, EASY-TO-USE SERVICE WILL

- Connect you with more employers than you can contact on your own.
- Allow you to maintain confidentiality.
- Let you choose what information a prospective employer can see.
- Showcase your qualifications to any number of the more than 50,000 employers served by the Idaho Department of Labor.
- Save you time and increase exposure.
- Match you with the kind of jobs you want.

***Employers start searching our profile database in March 2009.**
