

Navigating the Route to Disability Benefits

Where to find resources and how to use them at your Idaho Department of Labor local office.

If you have a disability and . . .

- ◆ You want to know your rights and benefits
- ◆ You want to work, but would like some assistance to find a job
- ◆ Are afraid of losing benefits if you become employed
- ◆ You need to know what other agencies and resources you can use in your community. . .

. . . visit your local Idaho Labor office for assistance

We help people with disabilities navigate the complex programs that affect their ability to obtain or retain employment.

We serve as a resource for Social Security work incentive programs and employment support programs, providing referrals and information about services available.

We connect job seekers with services that support them in meeting their employment goals.

We ensure access to the full range of services through the Idaho Department of Labor local offices that serve as one-stop centers coordinating an array of employment and training programs.
