

DATE: June 16, 2008
TO: All WIA Subrecipients
FROM: Joni Booth, Chief, Accounting
SUBJECT: WIA Participant Accruals for Program Year 2007

The WIA participant payment system will close on June 27, 2008 for this program year ending June 30. All payments made by 2:00 p.m. on June 27 will be reflected in the system (if a payment does not appear, it has not been paid). On June 30, the system will begin generating accruals for payments not made.

The accrual system will open July 1 and close July 2 by 1:00 p.m. Mountain Daylight Time. All WIA case managers will have the opportunity to view and modify system accruals and to enter accruals not shown (see box below).

Remember, accruals should be made for unpaid participant expenses that have actually occurred on or before June 30. Also, the system will accrue to the participant completion date. So, verify completion dates before the system closes, which will reduce accrual changes.

Please direct any questions or problems to your regional liaison.

Is something WRONG? If you see accruals for big \$'s amounts month after month and no expenditures you are most likely missing a completion date for this enrollment. You will need to change these to zero.

If you wish to change the \$755 in Feb. click the Manual Override to Y for yes and then change the dollar amount to the desired amount.

Then click Update Accruals
