

Idaho Workforce Development Council

The Idaho Workforce Development Council consists of 26 members appointed by the governor and is responsible for advising the governor and the State Board of Education on issues surrounding work force development, a statewide employment statistics and labor market information system and any incentive grants as outlined under section 503 of the Workforce Investment Act. The governor names the chair and vice-chair of the council, which is jointly staffed by a management team of directors of state agencies that administer work force development programs. Council members serve at the pleasure of the governor and appointments are for three-year terms.
