Recertification of Local Boards will be based upon compliance with membership and nomination requirements (in filling board vacancies), the extent to which the local board has ensured that workforce investment activities have enabled the local area to meet local performance measures, and fiscal integrity.

Failure of a local board to meet recertification requirements will result in dissolution of the board.

##### **B. Decertification**

Local boards may be decertified by the Governor at any time (after notice has been provided, along with an opportunity for comment) for fraud or abuse, failure to carry out the roles and responsibilities described above, or failure to meet local performance measures for two consecutive program years (in accordance with WIOA Section 116(c)).

If a local board is decertified, the Governor may require that a new local board be appointed and certified for the local area pursuant to a reorganization plan developed by the Governor, in consultation with Local Elected Officials in the local area.
