

Individual Program Application for WIOA Eligible Training Providers

For each program to be submitted for application to the Eligible Training Provider List, please provide the following information according to the directions below.

Name of Program – Provide the name of the program to be listed on the Eligible Training Provider List.

Description of Program – Provide a brief description of the education and training provided by this program.

CIP Code – Provide the Classification for Instructional Programs code associated with this program.
For reference - <https://nces.ed.gov/ipeds/cipcode/Default.aspx?y=55>

O-NET or SOC Code – Provide the Occupational Classification Code for the specific occupation(s) that are trained by this program.
For reference - <https://www.onetonline.org/>; The 6-digit Standard Occupational Classification (SOC) code is all that is necessary. The 8-digit O-NET code is also accepted.

Credential – If applicable, identify recognized post-secondary credential received by program participants.

NOTE – Providers have the option of providing either a CIP code or an occupational code or both.
 The requested program information may be submitted instead on Excel via email
 WIOAETP@labor.idaho.gov.

Institution or Provider
