**TO:** All WIA Subrecipients  
**FROM:** Marsha Wright, Workforce Bureau Chief

**SUBJECT:** WIA Eligible Training Provider update

After a review of the state's WIA Eligible Training Provider (ETP) list, the following schools have been temporarily removed from the list until they complete or renew their registration as a proprietary school with the State Board of Education (SBOE). WIA training providers must comply with all state and federal requirements, including maintaining a current registration with the State Board of Education, to be included on the state ETP list. These institutions have been notified of this and must submit a copy of their SBOE registration to central office so they can resume their presence on the ETP list.
