

WIAB 02-05

DATE: July 19, 2005
TO: All WIA Subrecipients
FROM: Cheryl A. Brush, Chief, Workforce Systems Bureau
SUBJECT: Enter New Program Year (2005) Obligations

Please note that prior program year obligations have been removed from the WIA MIS participant records. Case managers are now free to post current year obligations to each activity record where they anticipate incurring costs this program year.

The WIA Participant Activity Reports will reflect current year obligations as they are entered. The WIA Financial Reports will reflect current year obligations on the next update in mid-August.

If you have any questions, please contact your assigned grants manager.
