*Roger B. Madsen*

**SUBJECT:** Workforce Investment Act Formula 5% Funds for Youth in Need

**ACTION REQUESTED:** Approval of WIA Youth in Need Distribution Formula

**BACKGROUND:**

Section 129 of the Workforce Investment Act sets aside a specified portion of each State's youth allocation for statewide activities, with a mandatory activity of "providing additional assistance to local areas that have high concentrations of eligible youth to carry out the activities described in the Act". A pool of \$100,000 is being made available in PY 2012 to local areas for youth services, approved by the Workforce Development Council during its August 13, 2012 meeting. These funds will be distributed under the formula outlined below as adopted by the Workforce Development Council during the previous program year:

The State's strategy for providing additional assistance to local areas is as follows:

1. Half of these funds will be divided among those regions whose poverty rates for youth exceed the state average, based on the most recent data available.
2. The other half will be shared equally among those regions that expend at least 80% of their PY 2011 fund availability.

Region 2	\$33,332
Region 3	\$0
